

A decorative graphic on the left side of the slide. It consists of a blue parallelogram and a light green parallelogram, both tilted at an angle. The blue shape is in the foreground, and the green shape is partially behind it. They are set against a dark blue background with faint, lighter blue diagonal stripes.

Our Project - Rate My Class

RateMyClass is a website inspired by Rate My Professor.

Features:

- Can login as a user
- Can search for a class and see the reviews input for the class
- Can write reviews for the class if registered.

The Tools that We Used

- Javascript - used to write the scripting for the website
- CSS - used for formatting of the website and stylistic coding
- PHP - Used for handling of events
- SQL - Used to create and maintain the database

Front End Design + Framework (Lucas)

- Login page
- Home page
 - Options of submitting a review or search for a review
- Submitting a review posted information to mySQL DB
- Searching for a review consisted of dynamic calls to DB and output those on separate page

Back End Design + Database (Diego)

- Created a database using mySQL webclient
- Aided Lucas in the querying of the information to and from the database
- Created 2 tables
 - Login
 - Reviews

Style Design (Yacob)

- Created the UI on the HTML and PHP using CSS for:
 - Login
 - Home Page
 - Submission Page
 - Retrieval Page
